Servant King

Mark 9-16

Jesus stands alone in world history. There is no one like Him, nor will there ever be.

And yet, this King came to serve.

In 2027, we're opening up Mark 9-16 and following Jesus on the road to the cross. We'll meet the man who is God, the King who became a servant, the lion who is the lamb, and the one who died that He might kill death.
